## **DMU GLOBAL CONTINUES TO BORACAY**

Cont. from Pg. 1.

DMU Global's next stop was a fun-filled adventure in Boracay to learn about the environmental restoration of the island. With DMU Leicester students and DMU SISFU students enjoying the sun, sand, waves, and features of the island, Boracay has come alive for first-time visitors and long time fans alike. Learning from the DENR, DOT, local hotels, and business owners, students learned about the many triumphs and challenges facing locals in Boracay as it moves forward. Students made memories to last a lifetime with DMU Global.
